Open Application – Software and Web Developers (m/f/d)

Hiring organization
TimeSpin

Employment Type
Full-time, Part-time

Job Location
Leerkämpe 7, 28259, Bremen, Bremen, Germany

Date posted
11 Juni, 2025

Description

At **TimeSpin GmbH**, a fast-growing software company based in Bremen, Germany, we develop innovative desktop and web-based solutions with a strong focus on quality, customer needs, and long-term growth. We offer a collaborative, supportive work environment where personal development and team spirit are essential values.

Due to the nature of our client interactions and location, we typically seek candidates with solid German language skills. However, we also welcome**initiative applications from talented English-speaking professionals** who are passionate about software development and eager to contribute to our projects.

Your Role

Depending on your background and interests, your responsibilities may include:

- Developing and enhancing our software products (desktop or web-based)
- Supporting consultants with technical implementation
- Designing and implementing customer-specific solutions
- Participating in the design of new web products and services
- Collaborating closely with clients and translating requirements into functional features
- Bringing new ideas to the table and improving existing processes and tools

What We're Looking For

- A degree in computer science or equivalent professional experience (e.g. IT specialist)
- Solid programming skills in C# (e.g. WPF, ASP.NET) and JavaScript
- Experience with databases (preferably SQL, MS SQL, Oracle, or NHibernate)
- An interest in modern technologies (e.g. .NET Core)
- A structured, independent, and solution-oriented working style
- Strong communication and collaboration skills
- Good English skills; German is a plus, but **not required**

What We Offer

- A permanent employment contract
- A thorough onboarding process and weekly internal training sessions
- Participation in code reviews and continuous learning
- A respectful and friendly team environment in a company that's growing sustainably
- Flexible working hours with a flextime model
- Modern office space with convenient public transport access
- Free drinks, employee events, and local partner discounts

Interested?

If you are a passionate software or web developer with solid technical skills and a desire to make an impact, we encourage you to apply – even if you're not fluent in German yet. We look forward to hearing from you!
